Collessione Chesterfield produces premier quality handmade furniture for both domestic & commercial markets. Our company is Melbourne based specializing in the manufacturing of Chesterfield style of lounges and beds

It has been the dedication and pride for over thirty years in the workmanship of Ramiro Coelho, the founder of our company, that has inspired us to create the finest collection. Each piece is meticulously handcrafted using only the finest leather, fabric and hardwood frames.

In an age where many home and corporate furnishings are mass manufactured, Collessione Chesterfield endeavours to build unique and tailored designs that are stylish, practical and durable.

The 'Versailles' – our signature bed frame, with a unique chesterfield-style bed head
